Further Information about your desired choice of Options:

Looking at the list on the left please tick the subjects you are interested in studying. Then tick your four preferred subjects in the Option blocks above, one in each block.
(These option blocks may change).

Additional Subjects

Critical Thinking:

If you wish to study AS Critical Thinking you should be expecting to achieve at least 4 A* GCSE grades, but you will also be welcome if you do not have these results. This subject is very important if you are applying for competitive courses.

Please indicate if you would like to study this subject by ticking the box below.

I am interested in studying AS Critical Thinking

Extended Project Qualification:

You will have the opportunity to undertake this after your AS Levels. Please tick the box below if you would like to take this qualification:

I am interested in the EPQ

Mandarin I am interested in studying Mandarin

IT I am interested in studying IT

Career Aspiration:

If you have a definite career plan, please explain this here:

Other Information:

Please use this space to share with us any other relevant information which would enable us to help you over the next two years:

Thank you.
