Reviews of marking - Centre Assessed Marks Policy (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments)

Upton Hall School FCJ is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Upton Hall School FCJ is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. Upton Hall School FCJ will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are considered by the exam board.
2. Upton Hall School FCJ will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Upton Hall School FCJ will, having received a request for copies of materials, promptly make them available to the candidate.
4. Upton Hall School FCJ will provide candidates with sufficient time, normally at least five working days, in order to allow them to review copies of materials and reach a decision.
5. Upton Hall School FCJ will provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests for reviews of marking **must** be made in writing by the **26th^h April 2023** to allow the review to take place before submission of marks to the exam board, and candidates must explain on what grounds they wish to request a review and confirm that they understand their mark could go down as well as up. The request should be given to Mrs Whitehurst, exams officer.
6. Upton Hall School FCJ will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome.
7. Upton Hall School FCJ will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Upton Hall School FCJ will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that the centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

This policy should be read in conjunction with Upton Hall School Exams Policy.
