### Guidance for Parents and Students

This document provides the information you need regarding the 16-19 Bursaries, including who is eligible and how to apply. Read this carefully. If you need further guidance or assistance with your application please contact the Director of Business, Mrs Spiby.

The school will receive a fixed sum of money to delegate to Sixth Form students who are deemed to be in need of financial support. This support will be in the form of a bursary. There are two types of bursary and students are able to apply for **one or other** of the bursaries according to their financial circumstances. Only students who are eligible should apply.

- receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right

**A Discretionary Bursary** for students who are in a situation of particular financial hardship which is preventing them from making the required progress. The Education Funding Agency guidelines advise that it is best practice to pay 'in kind' rather than cash e.g. bus pass, text books, equipment and field trips. The amount of funding allocated to the individual student will depend upon the individual financial circumstances of the student and the number of students who have access to the fund.

#### 1. Vulnerable Bursary of up to £1,200 per annum

This will be paid in monthly instalments subject to the student having met an attendance target of 97% and a report from teachers to indicate that deadlines have been met and work is up to date. Before the Bursary is paid the parent, or student living independently, will have to apply using the Application Form attached and provide the necessary evidence.

#### 2. Discretionary Bursary

Upton Hall School FCJ has been given a cash limited fund to support students from low income backgrounds to enable them to make good progress with their Sixth Form studies. The Bursary will be paid monthly (students will be required to provide receipts) subject to the student having met an attendance target of 97% and a report from teachers to indicate that deadlines have been met and work is up to date. Before the Bursary is paid the parent, or student living independently, will have to apply using the Application Form attached and provide the necessary evidence.

The value of the Bursary Allocation will depend upon the financial circumstances of the student and the number of students who are eligible for an award.

The following will be taken into account when determining a student's eligibility:

1. Whether the student is entitled to free school meals
2. If the student's household is on a low income (below £23,000) or in receipt of an 'income based benefit'. By 'income based benefit' we mean the following:
  - Income Support or Universal Credit
  - Working Tax Credit/Child Tax Credit
  - Income based Employment and Support Allowance
  - Other benefits and pensions
3. If exceptional financial circumstances apply, evidence of income must be supplied via pay slips, details of entitlement to other benefits (e.g. Widow's pension, Disability Living Allowance), insolvency details etc.

### **3. Application, Assessment and Payment**

- Check the criteria carefully to ensure that you are eligible for a Bursary. You may wish to seek the advice of the Director of Business, Mrs Spiby.

- One or more pieces of evidence will be required depending on its source and at the discretion of the Business Manager.
