

INTERNATIONAL TREND CONSULTANT

**LOUISA SMITH**

TRENDS//REPORTS//PRESENTATIONS

Developing textile trends generates interesting developments and discoveries, from new sustainable shifts in the textile sector to analyzing consumer attitudes in creating next generation collections.

Louisa shares this information through her illustrated presentations working with delivering valuable information to the supply chain at all stages for a more efficient on-trend delivery.

Areas targeted include Sports/Outdoors, Intimate Apparel, Lifestyle, Swimwear and Denim

Regular presentations include:

ISPO Textrends - Munich, Shanghai and Beijing

ITS - Intertextiles Shanghai - Intimate Apparel and Activewear textile trends

Workshop Tour - direct presentations to customers in South Korea, China, Taiwan and Hong Kong

Workshop presentation with client at Performance Days - Munich
