

Upton Hall School Year 7 Science Induction

We look forward to meeting you in September! Our Science teachers are all very excited to hear about any of the suggested Science experiments you were able to do at home in the summer break.

Simply follow the link and choose your favourite investigation to have a go at:

<https://www.sciencefun.org/kidszone/experiments/easy-science-experiments/>

Have fun! Remember to be prepared to share your summer Science experiences in your first lesson back in September!

Easy Science Experiments

Easy science experiments you can do at home! Click on the experiment image or the view experiment link below for each experiment on this page to see the materials needed and procedure. Have fun trying these experiments at home or use them for **SCIENCE FAIR PROJECT IDEAS**.

Dancing Corn:

This Corn Can Get Down
