

Dear Parents

Following our Induction Evening on Tuesday 30 June, Mr McAleese confirmed that we will be sending out some transition booklets for your daughter to complete over the summer before she starts with us in September.

Please find booklets attached for the following subjects:

Maths - booklet

Science - booklet

English - a letter and recommended reading

**Calculator** - it is beneficial for all pupils to have the same model of calculator to enable them to be taught how to use it during their lesson.

The school recommended calculator is the **Casio FX83GT-CW**. As a school we are able to offer you the opportunity to purchase this calculator at a reduced price of £10.00. The calculators can be purchased via our online payment system, Scopay, under products, please make your payment for the calculator by **1 September 2026**. Calculators will be given out during Maths lessons. If your daughter is in receipt of free school meals, one will be supplied by school.

Kind regards

Mr P.A. McAleese

Deputy Headteacher

Ethos and Personal Development
