

Dear Parents,

As the Summer Term draws to a close and we approach the summer holidays, we wanted to share some of the wide range of excellent activities and achievements in which our pupils and students are involved.

This year has been defined not only by success, but by commitment, resilience and the proud way our students have represented our school. Reaching four national finals is an outstanding achievement-one that reflects hours of dedication, training and teamwork. Every student who has worn our school kit should be incredibly proud.

We are so proud of each and every one of our pupils for their commitment, resilience and determination that they demonstrate within their sporting activities in and out of school.

Well done to all!

Football

Our U14 and U15 team have had an incredible journey this season and shown immense talent, determination and teamwork every step of the way. They both qualified for the final 4 sisters in sport, which took place in Lilleshall.

U15 lost in the semi-final finishing 4th.

U14 were crowned CHAMPIONS! This is such an amazing achievement!

A special mention to the u14 captain, **Lucie F** who also won Player of the final.

We can't wait to see what next year has to bring for you.

We would also like to congratulate all of our footballers who played for Wirral School's this year and all of their successes. And a massive good luck to those who have been selected to play for the 2026/27 season.

Summer 2026

Another very competitive year for the athletics teams. **Junior Girls won the Merseyside** round of the English Schools Athletics Cup getting through to the regional A final. Unfortunately, this clashed with activities week so we participated in the **Regional B final and Won.**

The year 9 and 10 Inters came 3rd in the Merseyside round of the English Schools Cup.

Well done to all of athletes Caitlin, Rebecca and Daisy who represented school at the English School's athletics championships but a special mention to Holly C in year 12 who came 2nd in the 1500m. An outstanding achievement.

Rounders

The year 7 and 8 rounders teams played in the Wirral School's rounders tournament this year and displayed some excellent batting and fielding skills.

Year 7 team got knocked out in the semi-finals.

Year 8 team won the tournament in a very close final and won by half a rounder!

Cricket

The **U13 won the Nantwich round** for soft ball and went on to the county finals and **won** that on a very hot day. The U15 team finished second in their regional round and again joined the u13s at the county finals. The county finals took place on the 10th July at Warrington Cricket Club. Both U15 and U13 had a great day lots of runs, and fantastic bowling and fielding. The U15 finished 4th overall and the U13 managed to secure the Gold Medal, winning all of their matches against Sale Grammar, West Kirby, Weaverham, Bramhall and Helsby. A great achievement - well done.

We took part in the hard ball Cheshire cup with a win over the Grange.

Women's Cricket T20 World Cup

We managed to get tickets to the women's T20 world cup to watch India vs Bangladesh at Old Trafford. A great day for cricket!

Glanllyn

What another great year at Bala Lake on our Glanllyn residential with the whole of year 8. The girls participated in a range of outdoor adventurous activities and lots of fun was had by all. The pupils' behaviour was impeccable and they were an absolute credit to themselves. The girls all took part in canoeing, sailing, raft building, paddleboarding and kayaking as well as climbing, high ropes and orienteering. In the evening, we were treated to a bird of prey show and finished with a disco.
