To: Parents of Year 11 Pupils

Dear Parents,

Re: GCSE Mathematics- Confirmation of Dates and Revision Support

Your daughter is taking her GCSE Mathematics examinations on the following dates:

Thursday 25 May 2017 – Paper 1, No calculator allowed

Thursday 8 June 2017 – Paper 2, Calculator allowed

Tuesday 13 June 2017 – Paper 3, Calculator allowed

After seeing paper 1 we can usually identify topics that did not appear and will likely appear on papers 2 or 3. After the examination, I will email you details of these topics and your daughter can then focus her revision in preparation for papers 2 and 3; we will do the same after seeing paper 2.

In addition to this, there will be two study afternoons on **Monday 5 June and Monday 12 June**, starting at 2:00pm and finishing at 3:45pm. Your daughter's Mathematics teacher will be going through a number of topics likely to be on papers 2 and 3. It will also give your daughter the opportunity to seek clarification with problems that have arisen during her revision.

It is expected that all Year 11 pupils attend these study afternoons, as we feel it could make a crucial difference to your daughters' final GCSE grade.

I look forward to your continued support in helping your daughter reach her full potential in Mathematics.

Yours sincerely,

Mr R Nall
Head of Mathematics
